Dear Cloverleaf Elementary Parents,

As you may know, the past few weeks have seen an increase with regard to new COVID-19 cases in Medina County. Although our county maintained our Level 2 (orange) designation, our county now meets the criteria for "high incidence" of COVID-19 cases (as defined by 100+ cases per 100K population over a 2-week period). If our county moves to Level 3 (red) AND meets the criteria for "high incidence," the district will transition to remote instruction.

Because of the potential to go remote every week and the importance of maintaining some normalcy and routines in our children's lives, we are changing our Halloween Parties from Friday, October 30<sup>th</sup> to Thursday, October 29<sup>th</sup>. This is not because it is a certainty that we will go remote on Friday, but instead it is always a possibility based on the data presented on Thursday afternoons by the State. If you intend for your child to wear a costume to school, please make sure you send your child in their Halloween costume on Thursday, October 29<sup>th</sup>. If we have school both days we will only celebrate on Thursday.

A few reminders about Halloween parties. We will not have any volunteers or be accepting any outside snacks. The teachers are providing pre-packaged snacks that are being purchased by our PTO. Thank you to CEPTO for helping us out. The teachers will provide socially distanced activities within their rooms to celebrate Halloween. We know this is not the most ideal situation but we are fortunate to be able to have some kind of celebration. As always please contact us for any further questions.

We hope you and your family have a safe and wonderful weekend,

  
Karen Martin, PK-2 Principal

  
Michael Moody, 3-5 Principal
